

Water Pie (it really works)

9-inch-deep dish pie crust

1 ½ c water

4T all-purpose flour

1c sugar

2t vanilla extract

5T butter cut into 5 pieces

Preheat oven to 400. Place pie crust in pie plate and set on baking sheet. Pour water into pie crust. In small bowl, mix flour and sugar, sprinkle evenly over water in crust – Do Not Stir. Drizzle vanilla over water & place butter pats evenly on top. Bake 30 minutes. Reduce heat to 375, cover edges, bake 30 minutes. Will be watery. Allow to cool completely. Cover & refrigerate until fully chilled.

The **Dumpster Days** are scheduled for May 17 and September 20.

They are normally delivered between 5am and 9am and will be located in the cul-de-sac located in NE 60th Terrace (where it's been for the last several years). There will be two dumpsters for household trash and one for yard waste. Let's keep our neighborhood clean and clean up any trash that doesn't make it into the dumpsters.

Please be mindful when loading the dumpsters by placing your items/waste to the rear and build up and out from there. Nothing is allowed to stick above the top of the dumpster.

If you are delinquent in paying your dues, you will not be able to use the dumpsters

Mark your calendars for
the CHE Neighborhood
Yard Sale Days:

May 2 & 3

CHE pool and tennis/pickle ball courts have designated handicapped parking for those who display their placard. In the past, non-disabled people were parking in these spaces illegally, hindering those who are lawfully permitted to use them. Parking in reserved spaces for people with disabilities is illegal if you are not displaying a valid placard. **Parking in these spaces without valid placard can result in a fine of \$50 to \$300.** Do not park in these spaces if you do not have a state issued handicapped placard prominently displayed.

Pool & Tennis/Pickle Ball Court Key Fob

Log onto carriagehillestates.appfolio.com to make sure your HOA membership dues are paid in full and up to date. If your balance is not \$0, your key fob will not open the pool gate and you will need to pay your balance in full in order to use the pool and tennis/pickle ball courts.

Email the board at chekchoa@gmail.com with any questions.

The Adkins-Johnson Farm and Museum has events throughout the year. It is a nice walk from Carriage Hill Estates. You can sign up for text alerts through Gladstone Parks, Recreation, and Cultural Arts to stay on top of all they have to offer.

Go to www.adkinsjohnsonfarm.com for more information.

Water Aerobics

Looking for a fun way to exercise this summer? Want to meet some new friends? Wondering who those crazy ladies are and what are they doing in the pool at 7:00 a.m. every morning???

WATER AEROBICS!
Come join the ladies beginning Friday, June 13 at 7:00 a.m. They meet Monday – Saturday while the pool is open.

Items you might consider buying are aquatic dumbbells, a floatation belt, and a pair of water shoes.

Tennis & Pickleball Court Rules

Warm weather has arrived! We love seeing the tennis and pickleball courts alive with matches taking place!

Just a reminder that: chalk, bikes, scooters, roller skates, inline skates, roller blades, battery powered child vehicles, etc. are **NOT allowed** on the courts as they damage the surface. Also, please wear proper white, soft-soled shoe as dark, hard-soled shoes can scratch, mar, and leave scuff marks.

If you're not playing tennis or pickleball, you shouldn't be on the courts. Please convey this information to your children and guests.

Home Improvement Plans?

Planning to make changes to the outside of your home? Whether it's permanent roofline lighting, roof, painting, landscaping, fencing, garage doors, deck etc., plan ahead and submit a completed **Architectural Review Request Form** with pictures, through your AppFolio account. All projects must be approved before you begin the work. Your application will be reviewed, and you will receive an approval or more information might be needed. If you have any questions, please email the HOA board at: chekchoa@gmail.com

HOA Dues, What Do They Cover?

HOA annual dues don't just cover pool and tennis/pickleball courts, they pay for the many other services necessary to manage our neighborhood and to keep it safe and attractive. The dues cover the maintenance of our several common areas. Trees, lawns, shrubs, plants, recreational areas, parking areas and ornamental features such as our signs at the entrance and pool/courts. They also cover the cost of water, electricity, insurance, snow removal, repairs, dumpster days, etc.

We need everyone to pay their dues on time and in full each year to keep CHE looking her very best. When you don't pay your dues, you are assessed interest and can also have a lien put on your house. Also, if your dues are in arrears, you will not be able to use the pool, tennis/pickleball courts, or Dumpster Days.

Remember, keeping our common areas in good shape helps maintain our property values.

Sidewalk Talk

Spring has sprung and with that comes outside activities! We have wonderful sidewalks through our neighborhood, and we have a lot of all kinds of walkers: two-legged, four-legged, strollers, young, old, and in-between. We need to stay safe as we walk, and that means we need to make sure the sidewalks in front of our homes are not a hazard to our neighbors. It is the responsibility of each homeowner to repair any and all sidewalk issues that are in front of their homes and yards.

Also, make sure your trees, that shade the sidewalks, are trimmed back so they are not hanging low over the sidewalks.
