

No Chickens or Rabbits Allowed

Chickens and Rabbits are not allowed in CHE backyards! Code of Ordinances of the City of Kansas City, Ordinance

No. 110479 Sec 14-15 states "It shall be unlawful for any person to keep or maintain any chicken coop...rabbit hutch or other pen, cage or enclosure for the housing of fowl or small animals... closer than 100 feet to the nearest portion of any building occupied by or in any way used by human beings." 100 feet is about the length of three buses. The yards in CHE are not big enough. Also, the Covenants of CHE state in Article VII, Sec 16 that "No detached shed, barn or other storage facility shall be erected upon, moved onto or maintained upon any yard.

Pop Price Drop

The soda pop vending machine located at the pool is switching from bottles to cans. The price will be dropping from \$2.00 per bottle to \$1.00 per can.

Let's Lift One Another Up

Do you have an amazing neighbor that you'd like to recognize? Maybe they keep their home and yard looking spectacular. Maybe they're always there to lend a hand when you need it. Maybe they say just what you need to hear at the right moment. Maybe they do nice things for you.

There are so many ways to show kindness and caring and we'd love to hear your stories about that special person or household and the ways they've touched your life. Email us at chekchoa@gmail.com and tell the story. If they're willing and give their consent, include a picture. We will share the stories of the neighborhood in future newsletters.

Recipe Corner

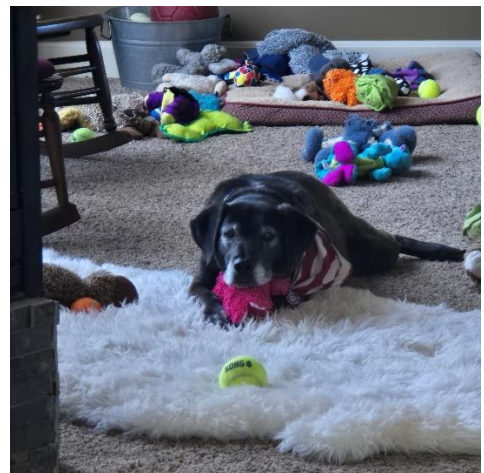

I believe everyone has a favorite recipe or two (or more). Perhaps it's been passed down through your family for years. I love trying new recipes and finding those 'keepers'. I've shared a few recipes in a couple of newsletters. Some are recipes that make you go "what?" such as Water Pie, which you can find in the Spring newsletter.

Please submit your recipes to chekchoa@gmail.com and look for new recipes to try in the upcoming newsletters.

Pet Page

We have a neighborhood that is full of our wonderful pets that we love. There are people walking their dogs throughout the day. You might have a cat, or an iguana, perhaps a turtle or fish. Whatever pet you have, send in a picture of them. We'll have a dedicated Pet Page in the newsletter.

I'll start by introducing you to Ranger. He's a German Shepherd/Lab mix and is just the sweetest boy ever. He's a rescue – we found him as we were going onto a military base in Alabama. Ranger was between 6-10 months old and nobody claimed him even though we tried to locate owners. He is now 11 years old and loves his 'babies', aka toys.

Let's meet your pets!

Pool Party

There have already been a few pool parties that have taken place and some that are on the calendar. It's an easy process, just contact the board either through AppFolio or by email with day, time, and number of people and you'll get on the calendar as long as your dues are paid in full and the day/time is available.

Not sure if you need to request a pool party? You do if your guests are more than six people. The pool will not be closed to CHE members on your party day, but you will have an area reserved for you with a table or two for your use. Also remember that all guests must adhere to the rules of the pool and of CHE.

Neighborhood Beautiful

We all want CHE to look her very best, don't we? It takes each and every one of us who lives here to make that happen.

Keep your lawns mowed and weed-free. Blow off the sidewalk after mowing. Put your trash bins away and out of sight. Remove non-yard items such as, but not limited to, freezers, vehicles that don't work, extra basketball goals, trash, anything that's broken down. Repair or replace your broken fence. The list could go on, but I think you understand.

Positivity spot:

Be the change you wish to see in the world.
Mahatma Gandhi

You know the saying, "it takes a village to raise a child"? This is an African proverb that highlights the importance of community, and a collective effort needed to achieve a goal. Let's look at it in the context of 'community' and the need for that community, Carriage Hill Estates, to come together and achieve the goal of a clean, safe and respectable neighborhood. If you see something, say something. The police have a non-emergency line (311 or 816-234-5111) and if it's an emergency, don't hesitate to dial 911.

The HOA Board receives many emails and phone calls that are human relationship/communication issues. These are not HOA issues and will not be addressed by the board.

Let's Talk

It's wonderful to see so many neighbors at the CHE pool. But not everyone is being neighborly and letting the pool be an enjoyable place. The CHE community pool is a neighborhood, family-friendly pool not your personal backyard pool that you can do whatever you want in and around it. There are rules and guidelines that need to be adhered to. The rules are on the last page of this newsletter.

Let's talk thong swim bottoms: Did you know they're not allowed in Kansas City? It can be considered 'indecent exposure'. Plus, they're prohibited at the CHE pool! You will be asked to leave and if it keeps happening, you will lose privileges, i.e. your fob will be deactivated.

How about beer and alcohol? It's not allowed within the fenced-in pool area. Again, fob deactivation. *Why?* Well, alcohol, swimming, and a hot day can be dangerous as well as it's a CHE pool rule. Save your alcoholic drinks for your backyard BBQ's.

What about smoking cigarettes or cannabis, or vaping? Not at the CHE pool. See above about what will happen to your fob.

Keep your behavior respectful and your language clean – there's no place for bad behavior or foul language especially in public. There are small children that are at the pool and don't need to see disrespectful behavior or hear filthy cussing.

Hey, can I let people into the pool that don't have a fob or tell me it's not working? Sorry, no! I know we all feel bad when someone can't get in, but every person must enter with their own fob. Fobs can have an issue, and if that's the case, you need to let the HOA board know. But most of the time, that's not the case. If you forget your fob, go home and get it. If it's not working, check your account on AppFolio. If your balance is zero, contact the board at chekchoa@gmail.com. And, if you let them in, your fob gets deactivated.

Here's a good article for poolside etiquette:

<https://spectrumam.com/poolside-etiquette-how-to-enjoy-your-community-pool-responsibly/>

Remember you're not in your private backyard but you're sharing a neighborhood space with other families.

Please share this with your family. Everyone in your home needs to know the pool rules and poolside etiquette so everyone can have any enjoyable time.

What's Happening at the Adkins-Johnson Farm

Children's Garden Day

Saturday, July 12, 2025

9:00 a.m. - 12:00 p.m.

Free Admission

Register April 21 - August 29

Museum Location:

4109 NE Pleasant Valley Rd

Gladstone, MO 64119

www.adkinsjohnsonfarm.com

The Adkins-Johnson Farm is an easy walk from Carriage Hill Estates. A place where you can:

Discover a home that began as a single room log cabin.

Enjoy the beautiful, preserved farmland, walk the trail to the historic Big Shoal Cemetery (be on the lookout for wildlife). Rest and rock on the front porch.

Explore local history with new exhibits each season. Look at what's growing in the heirloom garden.

Take home sunflowers, pumpkins and sweet corn each seasonally grown on site or visit the museum's store for local gifts, like honey from the hives or an Adkins-Johnson t-shirt.

CHE HOA Board of Directors

President - Austin

VP - Jason

Secretary - Kindle

Treasurer - Shelley

Please be respectful to each other when sharing the pool space. The homeowner must accompany their guests (no more than 6). Please, do not give out your fob to anyone. CHE Neighborhood Pool is not a public pool, but a private, family-friendly neighborhood pool and if the rules of the CHE Neighborhood Pool cannot be adhered to, you run the risk of losing your privileges.
