

A Carriage Hill Estates Publication
Winter/Spring 2026

Welcome to all our new neighbors!

We're so glad you're a part of the Carriage Hill Estates neighborhood! If you have not been invited to AppFolio, please email the board at chekchoa@gmail.com with the following information:

**Homeowners name(s)*

**Email address for homeowner(s)*

**Phone numbers*

Once we receive your information, we'll get you set up. AppFolio is where we send out emails (check your spam), newsletters, and any correspondence we need to get out that pertains to the neighborhood. You are also able to fill out and submit Architectural Reviews, pay your dues (AppFolio does charge a fee), submit pool party request, check the calendar, etc.

We ask for this information as the title companies and realtors don't usually pass it along and we want you to be connected and know what's happening in your new neighborhood.

Those who aren't new but don't have an AppFolio acct, please follow the directions above to get added.

The number of widowed homeowners in CHE has seen an increase in the last few years. As a neighborhood community, we are asking you what your CHE neighbors could do to help out in ways that may be needed now.

Do you want/need a support group in CHE? Help with a chore, etc.?

If you're widowed OR if you'd like to help, please email the board.

What do my dues cover?

Did you know that one of the areas our \$488 dues pay for is for our streets to be treated and plowed in the winter? Please make sure you are paying your HOA dues so you can continue to receive this service. I have heard of HOA's elsewhere that won't have the area in front of delinquent homeowners plowed. (We don't do that), but it's tempting. While the snow is beautiful (to me anyway) it does cost the HOA (that's all of us) quite a bit of money. We've learned we can't rely on the city to 'dig' us out in a timely manner, if at all, so we end up paying for our streets to be plowed by another. This is not a cheap undertaking and as you were able to see, they did do a marvelous job and that comes at a price. This is just one area where our money is used wisely.

HOA dues cover not only the treatment and plowing of our streets, but they also pay for the many other services necessary to manage our neighborhood and to keep it safe and attractive. The dues cover the maintenance of our pool and tennis/pickleball courts, several common areas, trees, lawns, shrubs, plants, recreational areas, parking areas and ornamental features such as our signs at the entrance and pool/courts. They also cover the cost of water, electricity, insurance, snow removal, repairs, dumpster days, etc.

We need everyone to pay their dues on time and in full each year to keep CHE looking her very best. When you don't pay your dues, you are assessed late fees, interest and a lien put on your house. Also, if your dues are in arrears, you will not be able to use the pool, tennis/pickleball courts, or Dumpster Days. You put stress on your neighbors as they must shoulder the burden of your unpaid dues.

We shout out a huge THANK YOU to all of you who pay on time and keep your homes and yards looking fabulous!

Garage Sale

Start cleaning and clearing out your closets, toy chests, garage, storage rooms! The spring garage sale days for Carriage Hill Estates have been set! Mark your calendars for Friday April 24 & Saturday April 25.

The fall garage sale dates have been set for September 18 & 19.

Summer is fast approaching.....

SPLISH – SPLASH

Have you seen the pool lately? Major work is being done to the pool this winter to get her in tip-top shape for the summer. She was in dire need of restoration/renovation and will be absolutely beautiful once completed. A “Grand Opening” for the pool is in the works for shortly after opening – be on the lookout for the date.

SWIMMING POOL & SAFETY RULES

Carriage Hill Estates Homeowners Only

The CHE Neighborhood pool opens at 10:00 a.m. and closes at 9:00p.m.

***Guests must be accompanied by a Member**

***Maximum of 6 guests per Household**

***Adult must accompany youth under 16 years**

Keep it ‘G’ rated

- | | | |
|--|---------------------------|------------------------------------|
| • No Running | • Pick Up Your Trash | • No Unnecessary Roughness |
| • No Diving in Shallow End | • Stay Off of Rope | • No Abusive or Foul Language |
| • No Smoking or Vaping | • Don't sit on the steps | • No Alcoholic Beverages |
| • Appropriate Swimwear NO THONG OR CHEEKY BOTTOMS | • No Pets | • Clean Up Your Area |
| • Large floats are not permitted | • Absolutely No Glass | • Put Umbrellas Down After Use |
| • Keep Food and Drink 10 feet from Pool edge | • No Explicit Music | • Put Chairs Back Before You Leave |

We all need to be respectful of our neighbors when we are at the pool. The homeowner, in good standing, must accompany their guest(s). Please, do not give out your fob to anyone who does not live in your home. CHE Neighborhood Pool is not a public pool, but a private, family-friendly neighborhood pool.

If the rules of the CHE Neighborhood Pool cannot be adhered to, you run the risk of losing your privileges.

Do you wonder why we ask that you keep food and drinks away from the pool?

The reason is to maintain water hygiene, prevent contamination from bacteria and avoid clogging the filters. Organic matter from food and drinks react with the chlorine and decreased its effectiveness at disinfecting the water. Food dropped into the pool clogs the filters and can lead to maintenance issues with the pool filtration system. The introduction of germs from food and drinks can require the pool to close for treatment and cleaning. So please, keep your food and drinks at least 10 feet away from the pools edge, preferably at your seat.

How about the **No Alcohol** rule? This is a safety issue as it increases the risk of drowning by impaired judgment, balance, and coordination. Reaction time is slowed, risky behavior increases, and it caused dehydration making it dangerous for swimming, supervising children, and managing sun exposure.

Also, ***don't use the pool steps as your personal seating area.*** This hinders people, especially children, from getting out/in the pool safely. Do not block the steps!

POOL PARTY

If you are interested in hosting a pool party, please email the board at chekchoa@gmail.com to schedule. Parties take place during pool hours and the pool is open to our residents.

There will be a \$150 charge. We will set up and reserve two large rectangular tables with tablecloths under the pergola. There is a maximum of 15 guests and a two-hour time limit. All pool rules apply to the party goers.

We have had multiple complaints from children and adults about the smell of marijuana in the neighborhood. While it is legal to smoke in our area, it is a potent smelling drug that canvasses large areas if done outside of the home. If you could please try to smoke inside your home or garage, this will help reduce the smell that otherwise canvasses the neighborhood while kids are out playing, walking, or otherwise trying to enjoy some fresh air.

Things to note.....

- It's no longer Christmas and your lights need to come down. We see some who are changing colors with sports teams, holidays, etc.; they're too bright, and your neighbors are complaining;
- House numbers need to be on your houses and mailboxes. This helps our mail carrier, emergency first responders, deliveries, friends who've not been to your home, etc.;
- Air conditioning units are not allowed in the windows of our homes;
- Boats, trailers, campers/RV's, vehicles that are broken down &/or have no license plate, are not permitted to sit in driveways. They need to be stored in your garage with door closed or in a storage unit elsewhere;
- Trash & recycling bins need to be stored in your garage or behind a fence. They should not be visible from the street;
- Dogs must be on leashes when out walking with them.

Special Event Calendar at the Adkins-Johnson Farm & Museum

Cornsense - May 2

Afternoon Tea – May 9

Storytime on the Farm - June 3

Yoga on the Farm (Summer) - May 30 - July 25
